Mr. Jud Gee
Board Chairman

Dear Jud ,

I would like to thank the board and community for allowing me to serve as board chair of the LGBT Community Center of Charlotte.

This center is important to so many people within our community and should remain a vital part of who we are.

As of November 7, 2014 the full amount owed \$332.00 to the center has been returned. I would like to extend my sincere apologies for decisions and errors that I made concerning expenses and their required approval with the Center.

I wish the board and the community center much success in the future.

Sincerely,

Ranzeno Frazier
